SENIOR DESIGN

BE A COACH

Bring your business, project or technical expertise to mentor junior and senior UNL students as they complete their Senior Design capstone project.

- ☞ Be available to answer student questions, and provide your knowledge of industry best practices.
- ☞ Your participation level will be driven by both the teams needs and your availability.
- ☞ Be a non-grading impartial third-party to the students.
- ☞ Teams are made up of 5-6 students.
- ☞ Coaches are matched to a team based on skillset.
- ☞ Work with students remotely or on campus.
